IN THE MATTER OF THE JUVENILE COURT AND DESIGNATION OF JUVENILE COURT OFFICERS	))))	**ADMINISTRATIVE ORDER** NO. 2013-00 11

WHEREAS, Juvenile Court Services, including Detention Services are an integral part of the Administration of Justice for Juveniles; and

WHEREAS, it is recognized that the placement of pre-dispositional juveniles in detention imposes the highest level of restraint on personal liberty and, consequently, shall only temporarily occur when it is the least restrictive method available to protect public safety or reduce the flight risk of a court involved juvenile; and

WHEREAS, decisions to detain juveniles should be the result of an objective, consistent intake process consistent with the State of Arizona Juvenile Detention Standards requiring the use an objective Risk Assessment Instrument to determine if a juvenile will be detained; and

WHEREAS, the creation of an Intake Unit specific to this purpose is necessary and should consist of Detention Officers and Probation Officers specifically trained to serve in this function;

IT IS HEREBY ORDERED, pursuant to Rule 23.B of the Rules of Procedure for the Juvenile Court; Juvenile Detention Officers assigned to the Intake Unit serve as Juvenile Court Officers.
