INSTRUCTIONS TO PHYSICIAN: A court case has been filed that asks the court to appoint a guardian and/or conservator for the person named above. Before the court grants such a petition, the court must decide if mental, physical, or other cause exists which necessitates a guardianship or conservatorship. Therefore, the court needs to know what you, as the physician for the person, think about the person's health, whether the person needs inpatient mental health treatment, and whether the person's driving privileges should be suspended. The court's goal is to do all that is possible to help the person about whom this case is pending to live as fully as his or her mental or physical impairments allow.

The court realizes that your time is valuable, and has developed the following questions to make it easier for you to prepare your report. If you want to use some other format to submit your report, please feel free to do that too, so long as you provide the same type of information the court needs.

If the Petitioner is seeking the authority to consent to inpatient mental health treatment, this report must be signed by a licensed psychiatrist or psychologist.

After you complete the report, give the original report to the Petitioner and he or she will see to it that necessary copies are properly distributed. Please do not file your report with the Clerk of the Court. PLEASE DATE AND SIGN YOUR REPORT. THANK YOU FOR YOUR TIME AND ASSISTANCE.
