**Pinal County Superior Court
Pinal County Limited Jurisdiction Courts**

Language Access Plan (LAP)

I. Legal Basis and Purpose

This document serves as the plan for the Pinal County Superior Court, the Justice of the Peace precincts and the Municipal Courts in Pinal County in so far as they are on site with the covered Justice of the Peace Precincts to provide to persons with limited English proficiency (LEP) services that are in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.; 45 C.F.R. § 80.1 et seq.; and 28 C.F.R. § 42.101–42.112). The purpose of this plan is to provide a framework for the provision of timely and reasonable language assistance to LEP persons who come in contact with the Pinal County Superior Court.

This language access plan (LAP) was developed to ensure meaningful access to court services for persons with limited English proficiency. Although court interpreters are provided for persons with a hearing loss, access services for them are covered under the Americans with Disabilities Act rather than Title VI of the Civil Rights Act, and therefore will not be addressed in this plan.

This plan will cover the following entities: Pinal County Superior Court, to include the separate office of the Clerk of the Superior Court with its Satellite offices, the Justice of the Peace precincts in the following cities: Apache Junction, Casa Grande, Eloy, Florence, Mammoth, Maricopa, Oracle, Superior and Kearny, and the Municipal courts which are on-site with the Justice of the Peace precincts, Conciliation Court Services as well as the Juvenile and Adult Probation Departments in this Jurisdiction.

II. Needs Assessment

A. Statewide

The State of Arizona provides court services to a wide range of people, including those who speak limited or no English. From a statewide perspective, the following languages were listed with the greatest number of speakers who spoke English less than “Very Well” in Arizona (according to Census report dated April 2010):

1. Spanish
2. Navajo
3. Chinese
4. Vietnamese

B. Pinal County Superior Court, Justice of the Peace Precincts and Municipal Courts (only those on-site with JP Courts) in Pinal County.

44 The Pinal County Superior Court and LJ courts are responsible to provide services identified in
45 this plan to all LEP persons. The following list shows the foreign languages that are most
46 frequently used in this court's geographic area at this time.

- 47
48 1. Spanish
49 2. Somali¹
50 3. Vietnamese
51 4. Chinese (= Fuzhou, Mandarin, Cantonese)
52 5. French

53
54 This information is based on data collected from statistics kept at the Pinal County Court
55 Interpreter's Office and is based upon the last 12 months of data collected on use of Language
56 Interpreters in this jurisdiction.

57
58 American Sign Language (ASL) which would occupy the 2nd place of languages most used in this
59 county is not included in the above list as the requirements to provide ASL interpreters is not
60 only a language access issue but foremost an issue covered under the ADA (Americans with
61 Disabilities Act).

62
63 Pinal County is a rural county with an ethnically and linguistically diverse population. The
64 2013 census estimated an overall population of 389,350, and a 2014 estimate of 401,918 of
65 which 29 percent is of Hispanic origin, and 1.9% are of Asian descent. While many are
66 English speakers, some have no or little command of the English language.

67
68

69 **III. Language Assistance Resources**

70 **A. Interpreters Used in the Courtroom**

71 **1. Providing Interpreters in the Courtroom**

72
73 In the Pinal County Superior Court, the Justice of the Peace and the covered Municipal Courts,
74 Conciliation Court, Juvenile Court Services and Adult Probation, court interpreters will be
75 provided at no cost to ALL LEP persons including witnesses, litigants, victims, parents,
76 guardians, and family members of minors as well as any other person whose presence or
77 participation is necessary or appropriate as determined by the judicial officer.

78

¹ Some of these numbers may only represent one party going through the court system but in an event which triggers repeated need for an interpreter for that particular language.

79 The court employs well-qualified professional interpreting staff under the supervision of a
80 certified interpreter. Services provided are not only interpretation but also translation of
81 documents and transcription/translation services. It is the policy of this court that an interpreter
82 be utilized at all hearings where such services are necessary.
83 Currently, no service gaps have been identified in the provision of interpreter services, neither in
84 the Superior Court nor in the Justice of the Peace precincts. Court staff is aware of our services
85 and is proactive in procuring our services, setting appointments and ensuring court events are
86 adequately staffed with interpreters. Court ordered services are staffed as well upon the service
87 provider's request, as well as attorney-client visits, diversion, mediation, probation interviews
88 etc. Justice court hearings are staffed on a weekly basis with an in-person interpreter. For ad-
89 hoc matters, telephone interpreting is used to notify the parties of another court date and/or to
90 dispose of a matter at that time via a telephonic hearing.
91
92 It is the responsibility of the private attorney, Public Defender or County Attorney to provide
93 quality interpretation and translation services for witness interviews, pre-trial transcriptions and
94 translations and attorney/client communications during out of court proceedings.
95

96 **2. Determining the Need for an Interpreter in the Courtroom**

97
98 The Pinal County Superior Court, the Justice of the Peace precincts and the Municipal Courts
99 included in this LAP plan may determine whether an LEP court customer has limited English
100 proficiency. Identification of language needs at the earliest point of contact is highly
101 recommended. The need for a court interpreter may be identified prior to a court proceeding by
102 the LEP person or on the LEP person's behalf by counter staff, self-help center staff, family
103 court services, or outside justice partners such as attorneys, juvenile or adult probation officers,
104 CPS staff, Detention center employees, mediation services staff and the interested party either
105 directly or indirectly through third parties.
106 Once a party has been identified, the integrated case management software AJACS has a method
107 to flag parties requiring an interpreter in the person management tab. Court staff and interpreter's
108 staff are utilizing this method for identifying LEP needs.
109
110 Signage throughout the court buildings indicating interpreter services are available may also help
111 to identify LEP individuals. The Pinal County Superior Court displays a sign at the entrance
112 showing the location of the Court Interpreter's office. The interpreter's office displays the "I
113 speak" cards, and Court Security and Clerk's counter staff will direct LEP persons toward the
114 interpreter's office which is readily accessible to the public or available via telephone.
115
116 The need for an interpreter also may be made known in the courtroom at the time of the
117 proceeding. In a case where the court is mandated to provide an interpreter, but one is not
118 available at the time of the proceeding, even after the court has made all reasonable efforts to

119 locate one, as previously outlined in this plan, the case will be postponed and continued to a
120 date when an interpreter can be provided.

121
122 Agencies and attorneys coming before the courts are aware of the services provided by the
123 Court Interpreter Staff in the Superior and Justice Courts and make full use of these services.
124

125
126

127 **3. AOC Interpretation Resources**

128

129 Court Interpreter Registry and Listserv

130 The AOC maintains a statewide roster of individuals who indicate they have interpreting
131 experience and have expressed interest in working in the courts. The court will determine the
132 competence of the persons listed. This roster is available to court staff on the Internet at
133 <http://www.interpreters.courts.az.gov>.

134

135 The Pinal County Superior Court Interpreters office, through many years of collaboration with
136 other courts and on its own initiative, has created a directory of available interpreters throughout
137 the state and beyond, to insure prompt coverage of any language need at the earliest time
138 possible. This list is available to court staff and attorneys upon request.

139

140 Additionally, AOC created a statewide listserv to allow courts to communicate via email on
141 court interpreter-related matters. The listserv is an excellent resource to locate referrals for
142 specific language needs. Access codes and instructions to join the listserv may be obtained from
143 the AOC Language Access contact person.

144

145 Video Remote Interpreting (VRI)

146 The AOC has installed video conferencing equipment at the State Courts building that will allow
147 courts with compatible technology to remotely conference an interpreter from the Phoenix
148 metro area or from another court jurisdiction into their court to improve resource allocation
149 and reduce time and costs associated with interpreter travel. Contact the AOC LAP contact for
150 more information on VRI connectivity and checklist for court proceedings most appropriate for
151 video.

152

153

154

155

156 **B. Language Services Outside the Courtroom**

157

158 The Pinal County Superior Court, the Justice of the Peace precincts and the included Municipal
159 courts are responsible for taking reasonable steps to ensure that LEP individuals have meaningful
160 access to all court services and programs outside the courtroom. Court services and programs
include but are not limited to self-help centers, clerk offices, intake officers, cashiers, and records

161 room.

162 **1. Assistance to Understand Court Procedures and Policies**

163

164 Services offered by the court generally to English-speaking customers pursuant to the
165 Employee Code of Conduct (ACJA §1-303) must also be provided to LEP litigants in their
166 language.

167

168 **2. Assistance to Fill-out Court Forms and Pleadings**

169

170 The Courts in Pinal County will assist in the filling-out of court forms for those LEP court
171 customers who are unable to do so either by themselves or with the assistance of
172 another competent adult proficient in English and able to render assistance in a timely
173 manner. Specifically, this will be accomplished by providing assistance or making
174 appointments with the court interpreter's office, the Law Library staff or providing this
175 assistance at the clerk's front counters via the Language Line or a bilingual staff person.
176 The Pinal County Law Library, upon finalizing its current expansion program, will locate
177 one court interpreter on the premises of the Law Library whose function will include
178 providing Spanish language assistance and who will facilitate via the Language line
179 assistance to patrons of other languages who need to complete court forms.

180

181 **3. Court-ordered Services and Programs**

182

183 The court also is responsible for taking reasonable steps to ensure that LEP individuals have
184 meaningful access to all court-ordered services and programs. Court-ordered services and
185 programs include but are not limited to conciliation, mediation, arbitration, treatment or
186 educational programs provided by a court employee or a private vendor under contract with the
187 court. Contracts with vendors that provide direct services to court users must include the
188 requirement that the vendor provide language services, including interpreters, for all LEP
189 individuals.

190 The court uses the following resources to facilitate communication with LEP individuals and
191 court staff or providers of court-ordered services:

192

- 193 • Staff court interpreters and independent interpreter contractors;
- 194 • Bilingual employees are employed in key positions at the clerk's counter, the jury
195 commissioner's department and Juvenile/Adult Probation. Departments with no access to
196 bilingual staff at any given moment will contact the interpreter's office for assistance, and
197 if no one is available, will utilize the Language Line for assistance.
- 198 • "I Speak" cards are readily available to identify the individual's primary language;
- 199 • Written information at the Law Library/Self Help Center is available in Spanish on how
200 to access and navigate the court;
- 201 • Telephonic interpreter services, (from contract interpreters or the Language Line); and,
- 202 • A court public phone line with key instructions provided in Spanish to request court

- 203 services.
- 204 • Bilingual Kiosk (Spanish/English) in the Clerk of the Court area to assist parties at the
- 205 Clerk of the Court.
- 206 • Multilingual sign at the front information desk indicating court interpreter office location
- 207 as well as “I speak” cards and language ID posters located at the court interpreter’s
- 208 office.
- 209

210 To provide linguistically accessible services for LEP individuals, the Pinal County Superior

211 Court provides the following:

212

- 213 • Self-help center services that include bilingual self-help center staff, telephonic language
- 214 assistance in Spanish and via email.
- 215 • Written informational and educational materials and instructions in Spanish for court
- 216 forms, surveys, instructions, directives and handbooks as needed by the departments
- 217 covered under this plan.
- 218 • A network of providers of translation services for languages other than Spanish who are
- 219 able to translate key documents into the LEP’s language upon counsel’s request or court
- 220 order.
- 221 • Immediately available over-the-phone language services via Language Line.
- 222 • Website links from court’s Law Library/Self Service Center website to the
- 223 Supreme Court’s Spanish translated webpage for court forms and instructions and other
- 224 language access related resources such as the court’s LAP and complaint form and
- 225 process should be made available online.
- 226
- 227

228 The Justice and Municipal Courts, as well as Conciliation Court services, provide most court

229 forms in Spanish. Updates needed to existing forms, correspondence to and from parties are

230 expected to be emailed to the interpreter’s office for translation. The Superior Court Interpreters

231 office and the covered Municipal Courts will collaborate in this effort. Assistance for LEPs in

232 languages other than Spanish will be provided through on-site staff or via language line.

233

234 **C. Court appointed or supervised personnel**

235

236 The Pinal County Superior Court, the Justice of the Peace precincts and the included

237 Municipal courts also shall ensure that court appointed or supervised personnel,

238 including but not limited to child advocates, guardians ad litem, court psychologists and

239 doctors provide language services, including interpreters as part of their service delivery

240 system to LEP individuals.

241

242

243 **D. Translated Forms and Documents**

244

245 The Arizona courts understand the importance of translating forms and documents so that LEP
246 individuals have greater access to the courts' services. The Pinal County Superior Court
247 currently uses forms and instructional materials translated into Spanish, but in cases where
248 court, counsel or probation staff determines the need for documentation to be translated into
249 another language, the court interpreter's office is contacted to facilitate such translation
250 requests. Juvenile court dependency petitions and plea agreements have been translated into
251 simplified Chinese and Vietnamese in the past.

- 252
- 253 • The Pinal County Superior Court has translated the following VITAL documents into
254 Spanish: There are a variety of forms available at the Pinal Justice courts which have
255 been translated into Spanish, such as plea agreements, rights advisement, waiver of
256 counsel, financial affidavit, forms for use by the Conciliation Court and Dependency
257 court coordinators, forms for use by Victims Services to inform victims of their rights,
258 and to provide their victim loss statements in a format they can read and understand,
259 various forms and informational brochures for the Juvenile Detention center and Juvenile
260 Court Services. This is continuous effort as forms change and the interpreter's office is
261 available to assist in rendering forms for court use into the required language(s).
 - 262
 - 263 • Patrons in need of bilingual forms for Justice Courts and Superior Court are also being
264 directed to the Supreme court's website at
265 www.azcourts.gov/elcentrodeautoservicio/FormulariosdeAutoservicio.aspx
266
 - 267 • Forms regularly utilized by Juvenile and Adult Probation, Victim Services, Conciliation
268 Court Services and other court departments have been translated into Spanish and are too
269 numerous to list here. All court departments are aware to enlist the services of the court
270 interpreters to update these translations and provide translations of newly required
271 materials. This is an ongoing effort as forms change and the interpreter's office is
272 available to assist in rendering forms for court use into the required language(s).
 - 273
 - 274 • A network of providers of translation services for languages other than Spanish who are
275 able to translate key documents into the LEP's language upon counsel's request and court
276 order.
 - 277 • Minute entries, consent decrees, court orders and police reports, findings, orders,
278 correspondence and other documents are regularly translated into Spanish as requested by
279 court, counsel or the affected parties.
- 280

281 **1. Sight Translation**

284 The court will provide assistance so LEP persons may understand court-issued documents
285 provided in English through sight translation or other reasonable means.
286 Interpreters at court hearings are expected to provide sight translations of court documents and
287 correspondence associated with the case.

E. WEBSITES/ONLINE ACCESS

If a court operates an Internet website, it should ensure the website is accessible to LEP persons and will include, at a minimum:

- A notice about the availability of language services written in Spanish and posted on the home page.
- A hyperlink to the Arizona Supreme Courts' Spanish translated webpages at <http://www.azcourts.gov/elcentrodeautoservicio/FormalriosdeAutoservicio.aspx>.

Interpreters at court hearings are expected to provide sight translations of court documents and correspondence associated with the case.

IV. Court Staff and Volunteer Recruitment

A. Recruitment of Bilingual Staff for Language Access

The Pinal County Superior Court is an equal opportunity employer and recruits and hires bilingual staff to serve its LEP constituents. Primary examples include but are not limited to:

- Court interpreters to serve as permanent employees of the court;
- Contract interpreters on a per-diem basis to supplement interpreter staff when needed;
- Bilingual staff to serve at public counters and or self-help centers; and
- Bilingual staff available on call to assist with contacts from LEP individuals, as needed.

B. Recruitment of Volunteers for Language Access

The Pinal County Superior Court at this time does not have a volunteer program for Language Access. However, interested parties are encouraged to observe court proceedings accompanying a staff interpreter to become informed about the career opportunity as staff time permits. Requests are to be made to the Chief Interpreter (Language Access Coordinator), who will assign interested parties to available staff for observation.

V. Judicial and Staff Training

The Pinal County Superior Court is committed to providing language access training opportunities for all judicial officers and staff members. Training and learning opportunities currently offered will be expanded or continued as needed. Those opportunities include:

- Diversity Training;
- AOC's Language Access in the Courtroom Training DVD;

- 328 • AOC's Language Access online Video
- 329 • Cultural competency training;
- 330 • Staff attendance specific for Spanish interpreters, provided by the court in partnership
- 331 with local colleges and institutions to offer these classes on site and free to employees on
- 332 court time, or through tuition reimbursement;
- 333 • New employee orientation training;
- 334 • Judicial officer orientation on the use of court interpreters and language competency.
- 335 • The Pinal County Interpreters office has developed training materials on the use of court
- 336 interpreters for attorneys and judges and can be contacted for training requests regarding
- 337 Language Access and Working with Interpreters.
- 338
- 339

340 **VI. Public Outreach and Education**

341 **A. General**

342 To communicate with the court's LEP constituents on various legal issues of importance to the
343 community and to make them aware of services available to all language speakers, the Pinal
344 County Superior Court will provide community outreach and education when the opportunity
345 arises to address public groups through meetings or press releases.

346 **B. Videos, Webinars, On-line Classes, In-person Classes and Other Similar**
347 **Instructional Methods**

348
349
350 New public-facing videos designed to assist litigants or the public more broadly shall be in
351 English and Spanish.

352
353 Those videos, webinars, and instructional materials currently in existence which are deemed to
354 be "vital" shall be made available in Spanish.

355
356 The court will determine whether any existing videos, webinars, and instructional materials
357 should be made available in languages other than English and Spanish by considering the
358 Department of Justice's four-factor analysis.

359
360
361 **VII. Formal Complaint Process**

362
363 If an LEP court customer believes meaningful access to the courts was not provided to them,
364 they may choose to file a complaint with the Language Access Coordinator or the Court
365 Administrator. Complaint forms in 4 languages and English are attached to this Language Access
366 plan and were provided by the AOC.
