CERTIFICATION AS A PRIVATE PROCESS SERVER APPLICANT INSTRUCTIONS

INTRODUCTION

The Arizona Code of Judicial Administration §7-204: Private Process Server, as adopted by Arizona Supreme Court Administrative Order No. 2002-110, effective January 1, 2003, governs the application, certification, and disciplinary procedure for private process servers. Pursuant to §7-204, the application, certification and discipline of private process servers is administered locally by the Superior Court in each county. Pursuant to Arizona Revised Statutes §11-445, §7-204 and the Arizona Rules of Civil Procedure 4(e), a certified process server has authority to serve court papers (process) for any court of the state anywhere within the state.

APPLICATION

The procedures for application for certification are outlined in §7-204(E). Applicants are required to apply for certification in the county of their residence. The Clerk of the Superior Court will provide applicants with the application materials, including a copy of §7-204. Additional information is also available on the Arizona State Judicial Website at <https://www.azcourts.gov/cld/Private-Process-Server>.

Applicants must be at least 21 years of age and have been a resident of Arizona for at least one year immediately preceding the application. Application for certification includes:

- Completing and filing a standardized statewide application;
- Submitting two photographs;
- Submitting fingerprints for a criminal history records check;
- Payment of fee to the Clerk of the Superior Court; and
- Passing an examination administered by the Clerk of the Court.

PROCEDURE FOR OBTAINING CERTIFICATION AS A PRIVATE PROCESS SERVER:

1. Pick up a private process servers application packet from the Clerk of the Superior Court.

This will include:

- Application;
 - Photograph Requirements;
 - Arizona Code of Judicial Administration §7-204: Private Process Server; and
 - Study guide for private process server's examination.
2. Follow the instructions provided by the Clerk regarding the procedure for filing the application, fingerprint card and payment of all associated fees.
 3. Make arrangements with the Clerk to take the examination. It is suggested you review the study guide: the Clerk will provide you with a copy or you can review the guide posted on the website.
 4. Take the examination. Pencils will be provided. Be sure to completely erase all changed answers to allow the scorer to know exactly which answer you are providing. You will have 90 minutes to take the

test. The Clerk will inform you, either verbally or in writing of your score, within ten days from the date you take the examination. A passing grade is 85% or more.

If you fail the examination, the Clerk will provide you with your score, an indication of the general area of the statutes, rules, sections of §7-204 and case law where you missed the questions, and the procedures for reexamination. You may, on written request, review your examination papers and grade during business hours in the presence of staff. You may not copy any of the materials provided for your review. A reexamination must be taken within 90 days from the date of filing your application. Your original application and fee will still be valid.

If you fail the examination a second time, you may submit a written request to the presiding judge requesting consideration for an opportunity to reapply and sit for the examination an additional time. Proof of attendance and satisfactory completion of a course of study specific to the private process server profession shall accompany your written request. The presiding judge may deny or approve your request. If you are approved to take the examination again, the entire application process begins, including the payment of fees.

PROVISIONAL CERTIFICATION

If you pass the examination the presiding judge or designee will review the application, and the result of the examination. The judge may require additional background information, may grant provisional certification or may deny certification for any of the reasons cited in §7-204(E)(5). If provisional certification is granted, you will be advised when to return to the court. A provisional identification card valid for up to 120 days will be issued pending receipt of the criminal history records check and final review by the presiding judge or designee.

STANDARD CERTIFICATION

Upon receipt of the national criminal history records check, the presiding judge or designee will review the criminal history records information. You will be advised if you are granted standard certification. Again, the judge may require you to submit additional information. If standard certification is granted you will be instructed to return to the court and a standard identification card will be issued.

If, based upon the information provided on the criminal history records check or as determined by the presiding judge or designee, provisional certification is withdrawn, you are required to return the provisional identification card to the Clerk of the Superior Court within one working day.

PRIVATE PROCESS SERVER CERTIFICATION PHOTOGRAPH REQUIREMENTS

The applicant shall submit two identical photographs taken within the last six months. Each photograph should measure two (2) inches by two (2) inches with the image not less than one inch or more than one and three-eighths inches as measured from the bottom of the chin to the top of the head including hair. Pictures shall be portrait-type prints, clear, full face taken in normal attire. They should be plain with a light or off-white background. "Passport" type photographs are acceptable. Photos may be either black and white or in color. Tinted black and white pictures are not acceptable.

Since a process server's photograph serves to identify the process server, the picture should be an accurate likeness of the individual. If eyeglasses, a hearing device, wig or similar articles are normally worn, these articles should be worn in the picture. Dark glasses or nonprescription glasses with tinted lenses are not acceptable unless required for medical reasons.

One photograph will be used on the non-provisional identification card issued; the other will be kept on file with the Clerk of the Superior Court.

It is the applicant's responsibility to provide these pictures and any subsequent pictures that may be required due to loss or theft of the identification card. Applicants are encouraged to get a new identification card when there is a change to features (for example, beginning to wear glasses, switching to contact lenses, hair loss or some other event that alters the appearance from that of the identification photograph).

RESPONSIBILITIES OF CERTIFICATE HOLDERS

Certified process servers are expected to know and abide by the responsibilities outlined in §7-204(F). This includes abiding by the Code of Conduct, completion of continuing education, and updating the Clerk of any change in name and address.

Standard certification expires every three years. It is the responsibility of the certified process server to timely file the renewal application and meet all requirements for renewal. Additional information is contained in §7-204(G).

Complaints alleging violations by certified private process servers and any subsequent disciplinary action will be handled by the Superior Court in the county in which the complaint is filed. Disciplinary action taken in any county will affect your authority to serve process in all counties. Refer to §7-204(H) for additional information.

STUDY GUIDE FOR PRIVATE PROCESS SERVER CERTIFICATION EXAMINATION

It is strongly recommended you spend time with an attorney or at the law library to acquaint yourself with state laws (Arizona Revised Statutes A.R.S.), Arizona Rules of Court, Rules of Civil Procedure (RcP) and local (individual county) court rules. Information contained in this packet should be considered a guide and is not intended to be a complete listing of all laws and rules a private process server would need to know. “Administrative Office” means the Administrative Office of the Courts, Arizona Supreme Court.

“Code Section” means the referenced provision of the Arizona Code of Judicial Administration.

“Formal Charges” means a document setting forth specific acts of misconduct by a certified private process server upon a determination of probable cause.

“Formal Disciplinary Proceedings” means filing of formal charges specifying misconduct by a certified private process server. Formal disciplinary proceedings commence after a finding there is probable cause to believe a private process server has committed a violation of the administrative code, statutes or court rules pertaining to service of process that if true, would warrant a public sanction. The public sanction could include restrictions on the certificate, or suspension or revocation of the certificate.

“Government Employee Process Server” means an individual who, in the normal scope of the individual’s responsibilities as a government employee, serves process for the governmental agency that employs the individual.

“Informal Disciplinary Proceedings” means resolution of a complaint prior to the filing of formal charges. “Private Process Server” means a person, duly appointed or registered pursuant to the requirements in A.R.S. § 11-445(H), this code section, and any other applicable statute or rule.

As defined by A.R.S. § 11-445(H), a private process server:

. . . may serve all process, writs, orders, pleadings or papers required or permitted by law to be served prior to, during, or independently of a court action, including all such as are required or permitted to be served by a sheriff or constable, except writs or orders requiring the service officer to sell, deliver or take into the officer's custody persons or property, or as may otherwise be limited by rule established by the supreme court. A private process server is an officer of the court.

“Program coordinator” means the staff appointed by the director to administer the program.

“Provisional Certification” means a temporary certificate issued by the presiding judge which expires 120 days after the presiding judge grants it.

“Revoked” means the permanent invalidation or cancellation of a private process server's certificate.

“Standard Certification” means a certificate issued by the presiding judge once an applicant meets all the requirements for certification of a private process server.

“Suspended” means the private process server's certificate is not revoked, but the certificate holder is not permitted to exercise the privileges of the certificate for a set period of time as the result of a disciplinary action.

“Valid” means a certificate issued by the presiding judge that is currently in effect and not suspended or revoked.

B. Applicability. This code section applies to the certification of private process servers pursuant to A.R.S. § 11-445(H) and the Arizona Rules of Civil Procedure.
