INSTRUCTIONS AFTER RECEIVING AN ORDER TO APPEAR

SERVICE

Service means giving legal notice to the other party that you have filed court papers. Legal notice means that the other parties have been provided copies of the papers that you have filed with the court.

You have been given an Order to Appear for a Court hearing. You need to make three (3) copies of the Order to Appear. Keep one (1) copy for your records.

You **MUST** serve all other parties with a copy of the Order to Appear and a copy of the Petition that you filed. Service must occur 10 business days prior to the scheduled hearing/conference.

The two most common methods of service are (1) personal service done by a private process server or sheriff, and (2) acceptance of service by the other party if they agree to receive the paperwork from you.

If you use the process server or sheriff, the process server or sheriff will then file an Affidavit of Service with the Court, when service is completed. This proves that party(ies) have been served.

If the other party agrees to accept service, you can serve the other party with an Acceptance of Service form. The other party must sign it in front of a notary. This form then must be filed with the Clerk of Court. This proves that the party(ies) have been served.

If the Attorney General's Child Support Services Section has been involved with your case, you **MUST** serve the Attorney General's office. The Attorney General's office will ACCEPT service. You must deliver an Acceptance of Service form to the Child Support Services Section of the Attorney General's office.

After the Attorney General's Office signs the Acceptance of Service, you **MUST** file the signed Acceptance of Service form with the Clerk of Court. This proves that the Attorney General's Child Support Services Section has been served.

If you have questions about service consult an attorney for information regarding these and other methods of service.

For more information review the Rules of Family Law Procedure.
